

the best storage solution on the market

The TuffBank is the ultimate product for securing tools and equipment on-site, in your warehouse, workshop, or vehicle.

did you know...

TuffBank comes in 8 different sizes with a host of useful features to further enhance safety, security and productivity

01

Tested and certified by Sold Secure and Secured by Design, the UK's official police preferred specification

02

Cable passing point to allow charging without compromising security

03

Anti-jimmy features making it virtually impossible to break into

04

Steel reinforcements for added strength

06

Inset handles resulting in a more streamlined product requiring less space

05

Gas struts PLUS the new slam stop lid stay for enhanced user safety

07

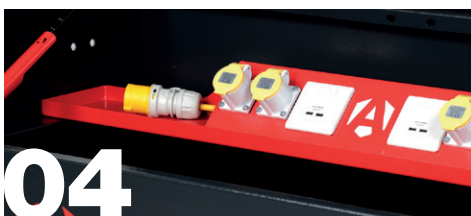

Hardened steel plates to make the locks almost impenetrable
